

## Application Form

DATE OF APPLICATION (DD/MM/YY)

<input type="text"/>	<input type="text"/>	/	<input type="text"/>	<input type="text"/>	/	<input type="text"/>	<input type="text"/>
----------------------	----------------------	---	----------------------	----------------------	---	----------------------	----------------------

May be filled in English or German.

Project title:

### 1. CONTACT DETAILS AND GENERAL INFORMATION

Name of Submitter:

Title:

Phone :

Name of Institution :

Email :

Group /Department :

Project partner, if applicable :

Name:

Title :

Phone :

Name of Institution/  
Company :

Email :

Group /Department :

### 2. BRIEF DESCRIPTION OF ENVISIONED PROJECT

Overall goal, accelerator-related technology / method, current state of development and actions you intend to implement using the funding. Please describe the technical problem and the desired technological solution. (max. 2000 characters)

### 3. DESCRIPTION OF POTENTIAL, CURRENT OR FUTURE APPLICATIONS AND INDUSTRIAL USE CASE

Which specific use case outside the scientific community do you want to address?

What features of the new technology solution make it unique compared with existing technologies on the market (industry sector / research market)?

Which current or potential markets are addressed by your solution or service? Describe the short-, medium-, and long-term transfer potential. (max. 2000 characters)

How does your project contribute to the dedicated Use Case Initiatives areas of industrial focus or to the overall Hi-Acts objectives? (max. 500 characters)

#### 4. FURTHER DETAILS OF THE PROJECT FOR ASSESSING TECHNOLOGY READINESS LEVEL AND TIME-TO-MARKET PERSPECTIVE

Which specific goals will your project pursue (please list in short key sentences)?

Which concrete activities or investments do you intend to seed-fund via the Hi-Acts Use Case Initiative?

(max. 1000 characters)

5. FINANCIAL PLAN

	Details (What? Who?)	Timeline (scheduled time of expenses, e.g.: Feb.-Apr., Q3, ...)	Costs	Optional: Co- financing or contributions by (industry) partners
Investments	Details investments	Timeline investments	• ...€	Contribution and ...€
Material	Details materials	Timeline materials	• ...€	Contribution and ...€
Personnel	Details personnel	Timeline personnel	• ...€	Contribution and ...€
Total			Sum of Costs	Sum of external contributions

6. LOI (letter of intent) of potential customer or user

Attach at least one LOI (letter of intent) or written statement (e.g. e-mail) of a potential customer or user of the intended solution or service. Provide a full list of all attachments in the text box below.

Important note:

Your application will be forwarded to selected industry representatives for their recommendation and to the transfer experts of the Helmholtz partners in the Hi-Acts consortium for review. All information provided in the application will be kept strictly confidential. The industry representatives and transfer reviewers will neither forward the application to third parties nor make it accessible to third parties. This applies even after the selection process has been completed.

Please send this application back to: [info@hi-acts.de](mailto:info@hi-acts.de)

**THANK YOU FOR YOUR APPLICATION**
